Approximately 3 years of experience

Completed various projects utilizing the skills mentioned above

Your firm

As a Physics teacher with a previous degree in Physics and currently studying Computer Science at the University of Nigeria, I have developed expertise in HTML, JavaScript, TypeScript, SCSS, Node.js, React, Vue.js, Git Shell, and Three.js. Over the past 3 years, I have completed numerous projects demonstrating my proficiency in these areas.

Additionally, I am comfortable using hosting platforms such as Firebase and Netlify. I am excited about the opportunity to join your firm and contribute my skills and experience to the team. Thank you for considering my application.
